Friday 22<sup>nd</sup> September 2023

Dear Parents and Carers,

At our KS2 Celebration Assembly this morning, we celebrated the following pupils:

Kingsbury: Jonathan, Bianna, Eliza and Oscar

Newtown: Robyn, Harrison, Sofia and Josh

Crackmore: Jacob, Ruby, Arthur and Sophie

It was lovely to meet some of you at the Coffee Morning on Monday. If you were unable to make it, there will be another one on Thursday 12<sup>th</sup> October from 9.00am – 10.00am to which you are all warmly invited. At the meeting, a number of parents volunteered to help in various ways. If you have some spare time and are interested in volunteering at school, whether regularly or now and again, I would be delighted to hear from you. Do catch me on the gate at the beginning or end of the school day or pop into the office.

Next Thursday, (28<sup>th</sup> September), we will be having an Open Morning for parents whose children will be starting school in September 2024. If you have relatives, friends or neighbours who might be interested, please do encourage them to come along. I will be giving a talk at 9.30 am and repeating this at 10.30 am, and our Year 6 children will be taking visitors on guided tours. The children are looking really smart in their school uniform every day and I have received many comments echoing this from both staff and parents.

Mrs Leavold was in school on Tuesday afternoon for individual music tuition. She is able to offer piano, guitar and violin lessons and her sessions are reasonably priced. Please talk to the office staff if you are interested in this and they will pass your details to Mrs Leavold. She will then contact you directly.

Mr Menage writes: “Mr Rodd, Mr Sweatman and I are keen for Milborne Port to participate in sports competitions regularly. Friendly fixtures and tournaments at King Arthur’s are being arranged so please keep an eye out for more information about these in the coming weeks. At the After School Club on Mondays, there are still some spaces for both KS1 and KS2. In the lunch club, we will be practising skills in preparation for the King Arthur’s tournaments. If you have any questions, please do come and find me as I’m more than happy to help.”

I have been asked to promote a free ‘Help your child love Maths’ course for parents which is being run at The Balsam Centre in Wincanton. The course runs on Tuesday 26<sup>th</sup> September and Tuesday 10<sup>th</sup> October (9.00 am – 10.30 am or 1.00 pm – 2.30pm) and those taking part are given a free ‘goody bag’. The course will cover

- Maths Anxiety (What it is, how it develops and how we can manage it)
